Expectations:

Volunteers should be courteous and approachable. Volunteers educate concert-goers about recyclable and compostable materials and assist them in using appropriate bins at the sorting stations. Volunteers also sort non-trash materials from other bins and help keep the Marymoor concert venue free of litter.

Concerts are held rain or shine. Volunteers should dress appropriately for the weather and site conditions.

Volunteers are required to do some lifting and rolling of heavy carts. Volunteers stand throughout a shift.

Volunteers must wait until the audience gates open to "save your spot" in the general seating area.

Volunteers are not allowed in backstage areas or green room station.

The drinking of alcohol or using marijuana during a shift or arriving 'under the influence' is prohibited. Volunteers who do so will be asked to leave and can no longer volunteer for future concerts.

King County Parks is not responsible for lost or stolen valuables. Volunteers will be under the same rules as other concert-goers for restricted items.

NEW

At the end of each post-concert clean-up, two free tickets for the next scheduled concert will be raffled. A name will be drawn from that night's volunteers. A volunteer must be in attendance to win.

CHANGE

All volunteers at each concert are required to participate in the 30-minute post-concert clean-up. Clean-ups will never extend beyond 10:30 p.m.

AS ALWAYS

Concerts are filled on a first-come first-serve basis. Shift choice may not always be granted or available.

Shift times subject to change.

Please circle or highlight the name of the concert(s) chosen as well as a shift for each concert in the schedule below.
